MANUFACTURING

ABOUT US

From concept to creation, QFS Manufacturing Ltd is a beacon of turnkey solutions, streamlining processes with cutting-edge technology and expert craftsmanship to enhance innovation, quality, and efficiency. Our heritage in crafting metallic prototype parts and low to medium volume production components blends seamlessly with our forward-thinking ethos.

At the heart of our operations is a profound dedication to innovation and quality. We pride ourselves on a team of highly skilled professionals, not just as employees, but as the very architects of our success. We continuously enhance our capabilities by embracing new technologies, ensuring we stay at the forefront of the manufacturing industry.

Our adaptability and flexible manufacturing prowess are what set us apart, driven by a passion to redefine the essence of bespoke manufacturing. This commitment extends beyond our products to the heart of our community, fostering a culture of continuous learning and development across all our facilities.

QFS Manufacturing Ltd envisions becoming the benchmark for bespoke manufacturing, seamlessly blending emerging technologies with our heritage of craftsmanship across diverse sectors.

Join us on this progressive journey as we continue to challenge the limits of manufacturing, blending emerging technologies with our rich heritage of craftsmanship across diverse sectors. QFS Manufacturing Ltd is more than a name-it's a promise of a future defined by excellence, innovation, and leadership in bespoke manufacturing solutions.

CUSTOMER THOUGHTS

"QFS are great with engineering solutions and fast with it"

"I had the pleasure of working with QFS Manufacturing and they have always shown professionalism, reliability and support. They have actively listened to our requirements, offered valuable insights, and worked collaboratively to find solutions. They were able to do quick turnarounds for us, as well as showing a commitment to delivering on time and within specifications. It is a pleasure working with QFS and I highly recommend their services."

FROM CONCEPT TO CREATION:

Pioneering the Path from Past to Progressive Manufacturing.

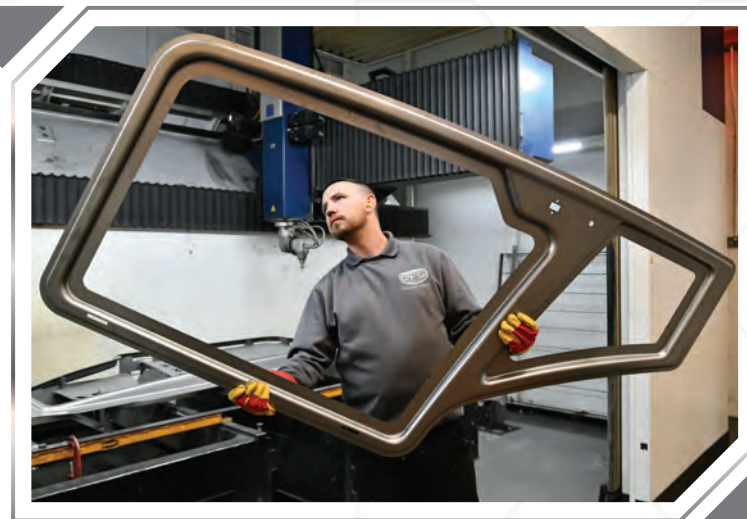

OUR MISSION

At QFS Manufacturing Ltd, we redefine the journey from concept to creation. Our mission is to transform bespoke turn-key solutions with unparalleled efficiency and speed. By leveraging cutting-edge technology and expert craftsmanship, we aim to streamline processes while enhancing the quality and innovation of our products and services. We are dedicated to forging strong, fair, and mutually beneficial partnerships with our customers and suppliers, nurturing a vibrant ecosystem of growth and success. In our pursuit of excellence, we are committed to creating a dynamic and supportive work environment that empowers our workforce, encourages progression, and celebrates achievement.

OUR VISION

QFS Manufacturing Ltd envisions becoming the benchmark for bespoke manufacturing, seamlessly blending emerging technologies with our heritage of craftsmanship across diverse sectors. We are committed to driving continuous improvement, supporting our local communities, and fostering an environment where our employees grow alongside the company. Our pursuit is to create sustainable solutions that leave a positive footprint in our industry and beyond, ensuring our legacy is marked by innovation, inclusivity, and a commitment to excellence.

CORE VALUES

INNOVATION

Our pulse. Driving industry evolution with cutting-edge tech and creativity.

EXCELLENCE

Our standard. Delivering superior quality and seamless experiences.

INTEGRITY

Our foundation. Ensuring transparency, honesty, and ethics in every action.

COLLABORATION

Our strength. Building powerful partnerships for collective success.

CONTINUOUS IMPROVEMENT

Our commitment. Elevating processes and people for peak performance.

CUSTOMER-CENTRICITY

Our focus. Tailoring solutions to meet and surpass client expectations.

COMMUNITY ENGAGEMENT

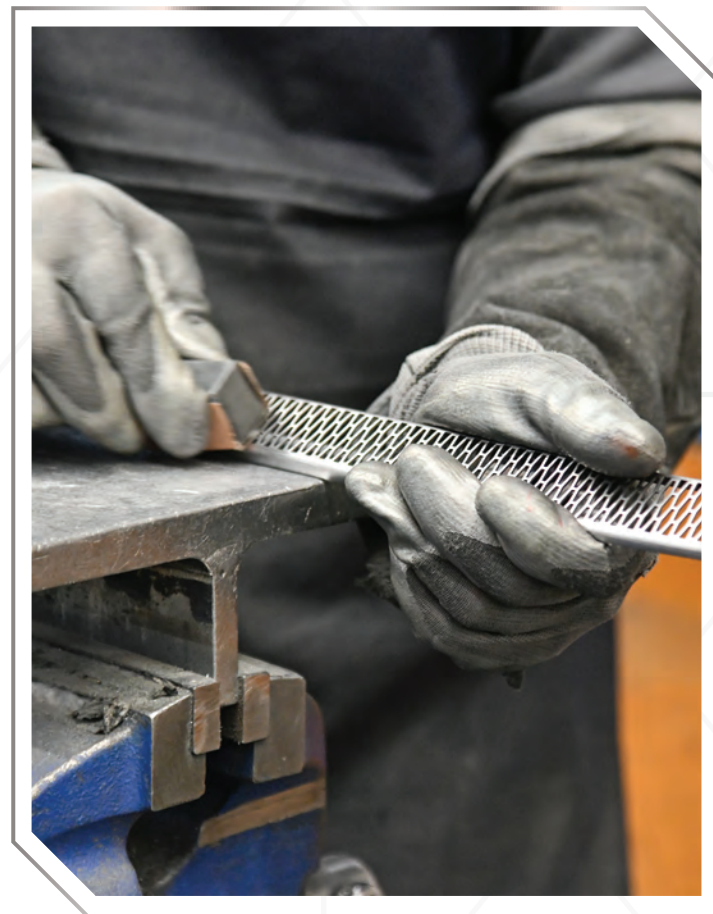

Our impact. Empowering communities for a brighter, sustainable future.

INVESTMENT IN OUR PEOPLE

At QFS Manufacturing, we believe that investing in our employees is crucial to their development and to promote interdepartmental cross training, and to eliminate the one-man-one-job culture. We are proud to sponsor and provide training courses that enhance the skills of our workforce. Here are some examples of the recent training courses we have provided:

- Category C1 Driver Course
- Fanuc Teach Pendant Operator/Programming
- Fanuc Electrical Maintenance
- First Aid at Work
- Fire Marshall Training
- Amada Ventis FibreLaser Training
- Amada Bending & Blanking Solution Training
- FLT B1/B2 Training

We are committed to providing our employees with the necessary training to help them grow and succeed in their careers.
